HIGHLIGHTS OF DOCTOR WHO: THE CLASSIC SERIES (1963-1989, 1996)

FIRST DOCTOR (William Hartnell)

"An Unearthly Child/100,000 BC/The Tribe of Gum"

- The first episode of this story establishes the premise of the series

"The Daleks/The Mutants/The Dead Planet" -Introduces the famed alien race and ensures the longevity

of the series

"The Aztecs/The Temple of Evil" – A purely historical story; establishes that fixed events cannot be changed

"The Dalek Invasion of Earth/World's End" - The Daleks mount a full-scale invasion of earth in the year

"The Time Meddler/The Watcher" – The first story to introduce another member of the Doctor's as yet unnamed race, the Meddling Monk

"The Tenth Planet" – Introduces the Cybermen; first regeneration story

SECOND DOCTOR (Patrick Troughton)

"The Tomb of the Cybermen" – An atmospheric story featuring the eponymous villains; recovered from Hong Kong in 1992

"The Mind Robber" – A jaunt into the realm of fantasy with an emergency visit to the Land of Fiction

"The Invasion" – The Cybermen invade contemporary earth; first story to feature UNIT (United Nations Intelligence Taskforce)

"The Seeds of Death" – The Ice Warriors return to take over late 21st century earth through the T-Mat system "The War Games" – Introduces the Time Lords; the

Doctor regenerates again and is exiled to 20th century earth

THIRD DOCTOR (Jon Pertwee)
"Spearhead from Space" – First story in color;
introduces the Autons; the Doctor becomes UNIT's scientific advisor

"[Doctor Who and] The Silurians" - Introduces the ancient bipedal, reptilian race later referred to as *Homo* Reptilia

"Inferno" – A drilling project into the earth's crust in search of a new energy source; features a parallel earth
"Terror of the Autons" – Introduces the Master
"The Sea Devils" – Cousins of the Silurians team up with

the Master

"The Three Doctors" – First multi-Doctor story; introduces Omega, a megalomaniacal renegade Time Lord bent on revenge against his people for his exile to an anti-matter universe; the Doctor's exile on 20th century earth is ended

"The Time Warrior" – Introduces Sarah Jane Smith and

"Planet of the Spiders" – The Doctor regenerates again after facing the Great One, a giant power-hungry spider on Metebelis III

FOURTH DOCTOR (Tom Baker)

"Genesis of the Daleks" - A story about the creation of the Daleks; introduces Davros; addresses the theme of the morality of genocide

"Terror of the Zygons" –A story that gives an explanation for the Loch Ness Monster and features the first appearance of the iconic adversary, the Zygons

"Pyramids of Mars" – The earth of 1911 is under the threat of invasion from Sutekh the Destroyer

"The Brain of Morbius" – A story based on Frankenstein that involves the renegade Time Lord, Morbius, and the Sisterhood of Karn

"The Deadly Assassin" - A Time Lord story featuring

the Master in a decayed body
"The Key to Time" Season (Season 16) – A 26-episode, season-long story arc in which the Doctor and his new assistant, Romana, must locate the six segments of the Key to Time, before the Black Guardian does:

"The Ribos Operation"

"The Pirate Planet"

"The Stones of Blood"

"The Androids of Tara"

"The Power of Kroll"

"The Armageddon Factor"

"City of Death" – An alien plot to steal the Mona Lisa in a story by Douglas Adams
"State of Decay" – An atmospheric vampire tale and part

of the E-Space Trilogy
"Logopolis" – The Doctor's fourth incarnation comes to an end at the hands of the Master

FIFTH DOCTOR (Peter Davison)

"The Visitation" - The Terileptils invade 1666 London

"Earthshock" – Re-introduces the Cybermen
"Arc of Infinity" – Omega returns in an effort to escape from his exile in an anti-matter universe

"Enlightenment" – A race of sailing ships in space and the end of the Black Guardian trilogy

"The Five Doctors" – 20th anniversary special featuring the first five Doctors and a number of his companions in an adventure in the Death Zone on Gallifrey

"The Caves of Androzani" – One of the most gripping regeneration tales in which the Doctor sacrifices himself for his companion

SIXTH DOCTOR (Colin Baker)

"Vengeance on Varos" – An exposition about the effects of television violence; introduces Sil

"The Mark of the Rani" – Introduces the Rani, a renegade Time Lady

"The Two Doctors" – A fun story featuring the Second and Sixth Doctors confronting the Sontarans and Androgums in Sevilla, Spain

SEVENTH DOCTOR (Sylvester McCoy)
"Dragonfire" – Introduces Ace and re-sets the trajectory of the Seventh Doctor's era

"Remembrance of the Daleks" - A stellar return of the Daleks; hints are dropped that the Doctor is more than just a Time Lord

"Battlefield" – Brigadier Lethbridge-Stewart returns; the Doctor faces Morgaine (Jean Marsh) and the Destroyer of Worlds

"The Curse of Fenric" – The Doctor faces Fenric and the Haemovores in 1943 on the Northumbrian coast

"Survival" - Final story of the classic series: "There are worlds out there where the sky is burning, and

the sea's asleep, and the rivers dream. People made of smoke, and cities made of song. Somewhere there's danger, somewhere there's injustice, and somewhere else the tea's getting cold. Come on, Ace — we've got work to do!"

EIGHTH DOCTOR (Paul McGann)

Doctor Who – A 1996 TV movie featuring the return of the Master in an attempt to revive the series; an interesting alternative re-boot of the classic series
